

***CONSENS ȘI DEMERS ENERGETICE PRIVIND APĂRAREA
INTERESELOR POLITICE NAȚIONALE REFLECTATE ÎN
CORESPONDENȚA DINTRE DIPLOMATUL NICOLAE TITULESCU
ȘI GENERALUL ALEXANDRU AVERESCU***

***CONSENSUS AND ENERGETIC MEASURES FOR THE DEFENCE
OF THE NATIONAL POLITICAL INTERESTS REFLECTED IN THE
CORRESPONDENCE BETWEEN THE DIPLOMAT NICOLAE
TITULESCU AND THE GENERAL ALEXANDRU AVERESCU***

Dan RÂPĂ, Adrian VASILESCU

This study exploits several personal letters between the diplomat Nicolae Titulescu and the general Alexandru Averescu, dating from between 1921 and 1927, and dealing with several major issues of the Romanian foreign policy, after the achievement of the Great Unification (payment of war remedies, the conflict with the Magyar ethnics which opted for Magyar citizenship, the support granted to the project of the “European construction”, under the patronage of the League of the Nations).
