

***NOTES ON SEVERAL OLDER DISCOVERIES FROM THE SOUTH-  
EAST OF MOLDAVIA. THE ARCHAEOLOGICAL FINDS FROM  
LUNCA, GALAȚI COUNTY***

*Adrian-Ionuț ADAMESCU*

**Keywords:** Hallstatt, Basarabi phenomenon, Galați county, Lunca.

The article intends to offer a review of some older discoveries from Lunca, Galați County. It aims at making widely known to the scientific world some aspects of Basarabi phenomenon which, so far, have only been briefly mentioned in the speciality literature. The author, through his investigations of the materials belonging to the collections of the History Museum of Galați, found some new data regarding these discoveries, analysed them and made them available to the researchers.
