LUPTELE DE BLINDATE GERMANO-SOVIETICE DIN SUDUL
MOLDOVEI (AUGUST 1944)***

***[THE VETERANS MAKE ADDITIONS TO THE WAR CHRONICLE:]
THE GERMAN-SOVIET TANK BATTLES IN THE SOUTH OF
MOLDAVIA (AUGUST 1944)***

Nicolae BACALBAȘA - DOBROVICI

The author of this article narrates, from the position of direct witness (he was an officer in the Romanian army fighting on the front from the South of Moldavia), an episode of the battles between the German and the Soviet tanks, on August 22 – 24, thus adding new pieces of information to the account of these events made by another participant, the Russian writer Constantin Simonov.
