

***MĂRTURII ALE ARHITECTURII VERNACULARE URBANE LA  
GALAȚI***

***TESTIMONIES OF THE URBAN VERNACULAR ARCHITECTURE  
IN GALAȚI***

*Viorica-Steluța PISICĂ*

The article intends to highlight the existence, in Galați, of some buildings which take part in the urban vernacular architecture.

We analyze a family residence and an inn, both built during the last decades of the XIX-th century and displaying specific characteristics of traditional Romanian architecture.
