

***RESTAURAREA UNUI BUST AL
DOMNITORULUI ALEXANDRU IOAN CUZA***

***THE RESTORATION OF A BUST OF PRINCE
ALEXANDRU IOAN CUZA***

Sandu SINDILE

The article describes the restoration process of the bronze bust of Alexandru Ioan Cuza. During this process, the name of the author of the bust became visible; thus we learnt that the bust was made by the French artist, Pierre Granet (1849-1911). The article also furnishes some information on this little known French artist and about his other sculptures.
