

DESCOPERIRI ARHEOLOGICE ÎN JUDEȚUL GALAȚI (I)

ARCHAEOLOGICAL DISCOVERIES IN GALAȚI COUNTY (I)

Mihalache BRUDIU

The author presents the palae-ecological conditions from Galați county, that allowed people to live on this territory during all the prehistoric, ancient and middle ages. Further on, he deals with several fortuitous archaeological discoveries from some of the settlements and necropolis found on the territory of Galați county.
